## SIGNATURE COCKTAILS CREATED BY SALIM KHOURY

The former Head Barman of the famous American Bar at the Savoy Hotel in London, Salim Khoury, visits The Nai Harn every year for one month to work with and train our team in the fine art of mixology. Salim joined the American Bar in 1969 and worked there for more than 30 years before he was appointed the 10th Head Barman in 2003. During his illustrious career he also won the UK "Barman of the Year" award in 1992 with his cocktail tribute to Princess Diana, the "Blushing Monarch". With his help, the American Bar was also voted The World's Best Bar in 2017. To celebrate his association with The Nai Harn, Salim Khoury has created a number of signature cocktails for our guests to enjoy.

## COLD BREW COFFEE

We have three choices of cold brewed coffee on offer, produced fresh daily from our own cold drip coffee makers and bottled individually. Its complex taste is accentuated through the cold drip process and can be easily differentiated from a traditional hot brew.

Cold drip is a healthier choice, too. It is a less acidic brew that is soft on the digestive system. Secondly, as it's a smooth taste there is less of a need to add other ingredients like milk and sugar to neutralise the acidity.
