

SIGNATURE COCKTAILS CREATED  
BY SALIM KHOURY

The former Head Barman of the famous American Bar at the Savoy Hotel in London, Salim Khoury, visits The Nai Harn every year for one month to work with and train our team in the fine art of mixology. Salim joined the American Bar in 1969 and worked there for more than 30 years before he was appointed the 10th Head Barman in 2003. During his illustrious career he also won the UK "Barman of the Year" award in 1992 with his cocktail tribute to Princess Diana, the "Blushing Monarch". With his help, the American Bar was also voted The World's Best Bar in 2017.

To celebrate his association with The Nai Harn, Salim Khoury has created a number of signature cocktails for our guests to enjoy.

| Margarita<br>(choose your own flavour)<br>Frozen strawberry, lychee, pineapple, mango, lime | 380 |

## LOCAL & ARTISANAL BEVERAGES

At The Nai Harn we take great pride in offering our guests authentic produce that are locally sourced and made. Aside from many exciting food products there are also a number of alcoholic beverages worth exploring.

### CHALONG BAY RUM 300

Produced at nearby Chalong Bay (hence the name) this is a truly original handcrafted rum using sustainable production that binds the traditional French art of distillation with the rich sugarcane heritage of Thailand. Using a traditional copper still imported from France and a centuries-old distillation process, Chalong Bay's innovative craftsmanship has produced an award-winning rum of incredible character, originality and smoothness.

### IRON BALLS GIN 620

Meticulously crafted at A R. Sutton & Co Engineers micro distillery in the heart of Bangkok. Iron Balls Gin is handmade from fermentation to distillation using freshly cracked coconuts and pineapples with hints of juniper, hillside ginger and lemongrass. A great refreshing gin & tonic served on ice with fresh slices of pineapple, basil and a squeezed lime.

### KRISTAL GIN 290

Made in Chiang Mai, this spirit is made from the choicest grains and using the purest, energised spring water. Triple distilled in a hand-forged copper pot, each bottle is hand filled to perfection.

|                                                                                                                                                                                                                                                                                                                                                                                                                                  |     |

| <b>MAA JAI DUM VODKA</b>                                                                                                                                                                                                                                                                                                                                                                                                         | 260 |
| <p>Founded in 2007 in Chiang Mai, Maa Jai Dum leads the new wave of white spirit producers in Thailand. Maa Jai Dum Lumka is produced from potatoes just like Vodka.</p>                                                                                                                                                                                                                                                         |     |
| <b>LAMAI THAI RUM</b>                                                                                                                                                                                                                                                                                                                                                                                                            | 260 |
| <p>Founded in 2012 Lamai is a rum brand based in Lampun province in the North of Thailand. You can expect extra attention to detail: not only do they use 100-percent sugarcane, but all of it is sourced from a farm in the province, while the Rum comes in a classy ceramic bottle made in Lampang's famous ceramic village. Lamai premium Rum is made using a double-distilled method, which makes for a smoother drink.</p> |     |
| <b>CHALAWAN PALE ALE</b>                                                                                                                                                                                                                                                                                                                                                                                                         | 310 |
| <p>Crafted from the blends of Pilsner malt, roasted Munich malt, it has a medium body with moderate carbonation. It delivers a malty caramel note anked by tropical lychee, citrus and floral aromas that glide into a long finish. Brewed at Full Moon Brew Works Micro Brewery in Patong, Phuket.</p>                                                                                                                          |     |

| This is a well balanced drink of Vodka, lime, Triple sec, Cointreau and cranberry juice.                                                                                                                                            |     |
| Became popular in New York by Sex and the city TV program writer Candace Bushnell.                                                                                                                                                  |     |
| Daiquiri                                                                                                                                                                                                                            | 360 |
| This drink was created by an American engineer called Jennings Fox in Santiago Cuba 1896. Light Rum, lime juice, sugar syrup.                                                                                                       |     |
| Gimlet                                                                                                                                                                                                                              | 360 |
| Gin, Lime Cordial and lime juice.                                                                                                                                                                                                   |     |
| Harvey Wallbanger                                                                                                                                                                                                                   | 360 |
| Vodka, Galliano and orange juice.                                                                                                                                                                                                   |     |
| Long Island Iced Tea                                                                                                                                                                                                                | 360 |
| Gin, Rum, Tequila, Vodka, Triple Sec, lime juice, syrup and cola.                                                                                                                                                                   |     |
| Manhattan                                                                                                                                                                                                                           | 450 |
| Basically a Martini that uses Rye Whiskey rather than Gin, and sweet Vermouth rather than dry. Salim Khoury created this classic version using Bulleit Rye Whiskey, Contratto Vermouth Bianco and The Bitter Truth Aromatic Bitter. |     |
| Stirred and served in a Nick & Nora glass. Like the original... Don't miss it!                                                                                                                                                      |     |
| Margarita                                                                                                                                                                                                                           | 360 |
| The drink was created to the actress called Marjorie King in 1940s.                                                                                                                                                                 |     |
| Later on name was changed from Marjorie to Spanish Mexican Margarita.                                                                                                                                                               |     |
| Mojito                                                                                                                                                                                                                              | 360 |
| A classic long drink. A blend of Rum, lime, mint and sugar.                                                                                                                                                                         |     |
| Created at the heart of bar culture in Havana Cuba and was favourite of the famous writer Ernest Hemingway.                                                                                                                         |     |
| Moscow Mule                                                                                                                                                                                                                         | 360 |
| Created in the 40s. A long refreshing Drink with Vodka, lime, Angostura and Ginger beer.                                                                                                                                            |     |

|                                                                                                                                 |     |
|---------------------------------------------------------------------------------------------------------------------------------|-----|
| Ramos Gin Fizz                                                                                                                  | 360 |
| One of the great classic cocktails created in New Orleans by Henry Ramos.<br>Gin, Cointreau, lemon juice, lime juice and cream. |     |
| Old Fashioned                                                                                                                   | 360 |
| Created in Pendennis club in Kentucky.<br>Brown sugar soaked with Angostura bitters and Bourbon.                                |     |
| Pina Colada                                                                                                                     | 360 |
| Light Rum, Malibu, pineapple juice, coconut cream and syrup.                                                                    |     |
| Rusty Nail                                                                                                                      | 360 |
| Drambuie and Scotch whisky.                                                                                                     |     |
| Sea Breeze                                                                                                                      | 360 |
| Vodka, cranberry juice and grapefruit juice.                                                                                    |     |
| Side Car                                                                                                                        | 360 |
| Brandy, Triple Sec, lime juice and syrup.                                                                                       |     |
| Singapore Sling                                                                                                                 | 360 |

## COLD DRIP COFFEE

We have three choices of cold drip coffee on offer, produced fresh daily from our own cold drip coffee makers and bottled individually. Its complex taste is accentuated through the cold drip process and can be easily differentiated from a traditional hot brew.

Cold drip is a healthier choice, too. It is a less acidic brew that is soft on the digestive system.

Secondly, as it has a smooth taste there is less of a need to add other ingredients like milk and sugar to neutralise the acidity.

|                                                                                                                                                                              |     |
