SIGNATURE COCKTAILS CREATED BY SALIM KHOURY

Salim Khoury, the former Head Barman of the famous American Bar at the Savoy Hotel in London, visited The Nai Harn every year since our re-opening in 2015 and spent one month working with and training our team in the fine art of mixology. Salim joined the American Bar in 1969 and worked there for more than 30 years before he was appointed the 10th Head Barman in 2003.

During his illustrious career he also won the UK "Barman of the Year" award in 1992 with his cocktail tribute to Princess Diana, the "Blushing Monarch". To celebrate his association with The Nai Harn, Salim Khoury created a number of signature cocktails for our guests to enjoy. Sadly, Salim passed away after a short illness in June 2021. It is now our turn to celebrate his life by dedicating a special edition of his favourite cocktail, the Martini, to him. Stirred of course - never shaken...!!!

Produced at nearby Chalong Bay (hence the name) this is a truly original handcrafted rum using sustainable production that binds the traditional French art of distillation with the rich sugarcane heritage of Thailand. Using a traditional copper still imported from France and a centuries-old distillation process, Chalong Bay's innovative craftsmanship has produced an award-winning rum of incredible character, originality and smoothness.

It draws on the unique touch of 100% natural Thai herbs for a delicate, pure and mesmerizing Gin flavor by the world-class award-winning producer of Chalong Bay - Craft Rum from Phuket, Thailand. As for the tasting note, SANEHA comes with a strong and determined character, tinged with fun gives the taste of pepper, citrus fruit, ending with a smoky touch.

Crafted from the blends of Pilsner malt, roasted Munich malt, it has a medium body with moderate carbonation. It delivers a malty caramel note flanked by tropical lychee, citrus and floral aromas that glide into a long finish. Brewed at Full Moon Brew Works Micro Brewery in Patong.

Lamai Thai Rum **THB 320**
Founded in 2012 Lamai is a rum brand based in Lampun province in the North of Thailand. You can expect extra attention to detail: not only do they use 100-percent sugarcane, but all of it is sourced from a farm in the province, while the rum comes in a classy ceramic bottle made in Lampang's famous ceramic village.
