

WELCOME

TO THE SPA AT THE NAI HARN.

Stroll, saunter or sashay to the entrance of The Spa at The Nai Harn. Check the view. Check your head. And prepare to check in to a new kind of wellness experience.

The Spa at The Nai Harn is all about wellbeing that does not take itself too seriously, shorn of silly excesses, pompous jargon, petal-strewn hot tubs and other cookie-cutter clichés. We are about a state of wellness that is fun, fresh and comes in bite-sized bits of indulgences that last all day. The kind that works for you, when you want it, where you want it, as much or as little as you want.

Slow down, breathe easy, take a chill pill. Soft music and sweet fragrances float upon the balmy sea breeze. Positive vibes and healing energy washes over you. Ready or not, you begin to relax.

Allow our experienced, expert and exceptionally friendly spa assistants to curate your chakra, assuage your aura and jibe with your vibe.

From state of the art therapies, half-day spa voyages and full-day odysseys to the glowing heart of bliss, proceed directly to our Beach Spa Suites and cast all your cares.

And for a pick-me-up while you are getting horizontal, topping up your tan or twisting by the pool, the pool-side Spa Cabana is your speed.

The Lifestyle Cabana, meantime, is a stylishly curated retail space offering fresh resort-wear, unique jewelry, coastal-inspired mementos and eclectic home decor pieces.

Longer lingers or wellness top-ups, all of our treatments follow three broad themes that demystify spa while enhancing the concept of state of wellbeing that works.

At The Spa at The Nai Harn, these themes are also our promise to you:

LOOK GOOD, FEEL GREAT & STAY WELL.
