THE NAI HARN PHUKET OPENS 16 NEW LUXURY OCEAN VIEW SUITES WITH PANORAMIC VIEWS OF THAILAND'S BEST BEACH

Guests can relax in supreme comfort and privacy and 'Press for Champagne' as they drink in the blissful views

Phuket, Thailand, 06 November 2017 – Framing the exceptional views across Thailand's best beach – as voted by users of TripAdvisor – Phuket's premiere luxury resort THE NAI HARN has opened 16 new Ocean View Suites featuring their own glamorous outdoor furnished terraces with dedicated BBQ units and unique Press for Champagne buttons.

The perfect blend of romance, indulgence and a genuine sense of heritage, each ultra-stylish 40 square metre hideaway offers guests bespoke private holiday experiences to be on their own exclusive terrace.

Furnished with plush new loungers and parasols, guests can lounge and drink in the views with the knowledge that champagne is just a press away. If a little activity is required they can perfect their golf skills on the mini putting green and when hunger strikes they can indulge in a private BBQ or order Phuket's finest Japanese cuisine directly from the resort's exclusive new sushi and sashimi bar, Hansha.

Inside, each new suite at THE NAI HARN is enhanced with lavish fabrics and luxurious amenities and equipped with an oversized king size bed fitted with exquisite 300-thread-count cotton linens, down and feather pillows, and a mattress topper, all of which contribute to a truly heavenly sleep. Spacious bathrooms, with rainforest showers and enormous stand-alone bathtubs, offer space to relax and rejuvenate after a day at the beach.

"All 130 luxurious guest rooms and suites at The Nai Harn offer luxurious comforts surrounded by nature, but we wanted to offer guests the chance to enjoy the breathtaking location in perfect privacy. The huge seaview terraces essentially provide guests with their own exclusive outdoor lounge, which makes for a unique, memorable and very instagrammable Phuket vacation," said Frank Grassmann, the resort's General Manager.

To launch the new Ocean Suites, THE NAI HARN is offering a variety of suite benefits for 3-night stays or more, such as express check-in at your room, complimentary minibar items, mineral water bar on arrival, and options for personal butler services.

NOTES TO EDITORS

The Nai Harn offers the perfect blend of romance, adventure, indulgence and a genuine sense of heritage, perched above Thailand's best beach*, ranged along a lush hillside at the southern tip of Phuket. The hotel offers dress circle seats to the greatest shown on earth – the spectacle of an Andaman sunset set against the dramatic promontory of Cape Promthep, best viewed from the four-poster day bed on your private 40sq m terrace, or from the re-born Rooftop Deck at our bucket list-worthy daily Magic Hour and Sunset Salutation Ritual. Phuket's only hotel with a real sense of history has hosted luminaries from royals to heads of state to stars of stage and screen – where else but at THE NAI HARN can you take a luxury speedboat island hopping to James Bond Island ... while staying in the suite occupied by Roger Moore or Christopher Lee during filming of The Man with the Golden Gun? Offering guest rooms at least as capacious as the generous terraces and suites best described as sublime, THE NAI HARN has been completely redesigned to maximize its exceptional vistas. Minimally elegant with lavish touches and 'ah' moments, this comprehensive reimagining of Phuket's first luxury resort infuses contemporary style with a Southern Thai aesthetic, setting the scene for destination experiences informed by authenticity and local knowledge, new adventures on roads less travelled, and culinary experiences that define excellence. www.thenaiharn.com *tripadvisor® Travelers' choice awards 2017
