

SIGNATURE COCKTAILS CREATED  
BY SALIM KHOURY

Salim Khoury, the former Head Barman of the famous American Bar at the Savoy Hotel in London, visited The Nai Ham every year since our re-opening in 2015 and spent one month working with and training our team in the fine art of mixology. Salim joined the American Bar in 1969 and worked there for more than 30 years before he was appointed the 10th Head Barman in 2003. During his illustrious career he also won the UK "Barman of the Year" award in 1992 with his cocktail tribute to Princess Diana, the "Blushing Monarch". To celebrate his association with The Nai Ham, Salim Khoury created a number of signature cocktails for our guests to enjoy. Sadly, Salim passed away after a short illness in June 2021. It is now our turn to celebrate his life by dedicating a special edition of his favourite cocktail, the Martini, to him. Stirred of course - never shaken...!!!

## COLD DRIP COFFEE

We have three choices of cold drip coffee on offer, produced fresh daily from our own cold drip coffee makers and bottled individually. Its complex taste is accentuated through the cold drip process and can be easily differentiated from a traditional hot brew.

Cold drip is a healthier choice, too. It is a less acidic brew that is soft on the digestive system.

Secondly, as it has a smooth taste there is less of a need to add other ingredients like milk and sugar to neutralise the acidity.
