THE WINE CELLAR

This wine list has been curated with a clear intention: to celebrate terroir, authenticity, and time. Every bottle included has earned its place through character rather than fashion, and through integrity rather than reputation alone.

Our focus has been on classic wine regions and benchmark producers, complemented by thoughtful discoveries that express their origin with honesty and precision. You will find a strong foundation in Europe, where tradition, soil, and climate continue to define the world's most enduring wines.Alongside these, we have selected expressive wines from the New World and emerging regions chosen not for scale, but for individuality and clarity.

As the list unfolds, particular attention has been given to the second half, where time becomes a central theme. Here, you will discover a carefully assembled collection of mature wines and vertical selections, offering a rare opportunity to explore how great estates evolve across vintages, and how consistency and nuance coexist over the years. These wines are not only scarce, but also deeply expressive and especially rewarding at the table.

Champagne occupies a place of distinction within this section, with a strong focus on vintage Champagnes and grower-producers whose wines speak clearly of origin, season, and soil.

Ultimately, this list is designed to serve the table, the moment, and our guests. Whether you are drawn to discovery or to the quiet pleasure of a mature bottle at its peak, we are

GROWER CHAMPAGNE

Grower Champagne refers to Champagne produced by the same family that grows the grapes, vinifies the wine, and bottles it under their own name. This estate-focused approach highlights individual vineyards, villages, and soils, rather than a blended house style. The result is Champagne with a strong sense of terroir, authenticity, and remarkable character and precision.

"These Agricola wines by Callum Powell (the son of David Powell of Torbreck notoriety) are some of the most remarkable Barossa Shiraz's we have tried recently. This emerging superstar from the Barossa Valley is firmly on the trajectory to stardom. These beauties are extremely limited and we are truly grateful to share with you this year's small allocation exclusively for Thailand."

FORTIFIED WINE

Fortified and liqueur wines have a long and distinguished history, offering depth, structure, and complexity that few other wine styles can match. Through fortification or the addition of grape spirit, these wines gain richness and a unique balance of sweetness and strength. Port, Sherry, and Macvin du Jura stand among the most iconic expressions of this tradition, each with its own character and heritage. Our selection showcases these classic styles, ideal for concluding a meal or enjoying as a contemplative glass on their own.

"A traditional Jura vin de liqueur crafted from Chardonnay and Savagnin, blended with Marc du Jura spirit before extended oak ageing.Rich and aromatic, it reveals notes of candied fruit, walnut, spice, and dried apricot with a silky, warming finish.Bottled at around 17% ABV, it offers a perfect balance of sweetness, freshness, and structure.An excellent companion to foie gras, blue cheeses, Comté, fruit tarts, or simply enjoyed as a digestif on its own."

CHAMPAGNE DE VENOGE

The history of the Maison de Venoge begins in 1837 when Henri-Marc de Venoge founded the Maison de Champagne de Venoge in the French municipality of Mareuil-Sur-Ay. De Venoge is the creator of the first ever illustrated label in the history of champagne, in 1838, and the Maison chose the blue ribbon of the Knights of the Order of the Holy Spirit as its emblem, one of the most iconic labels of all time, the Cordon Bleu. La Maison de Venoge has been a worldwide ambassador for champagne for 180 years with refined products of absolute excellence. And now their champagnes are available in Thailand for the very first time.

LES CUVÉES CORDON BLEU

The Cordon Bleu champagnes, dominated by Pinot Noir, express the roundness and a certain vinosity typical of this grape variety.

The Maison de Venoge resurrects the mythical Champagnes Princes created in 1864 by Joseph de Venoge in honour of the Princes of Orange. Its elegant and famous carafe recalls the crystal flasks in which European aristocracy used to decant their champagnes in the early twentieth century.

LES CUVÉES LOUIS XV

On the 25th of May 1728, Louis XV of France made viticultural history by issuing a decree allowing only wines of Champagne to be both shipped and marketed in bottles. This document was a most precious gift to the region; what was once a regional tradition was about to become a true phenomenon. Bottling meant that the sparkle created during fermentation could be preserved only for wines of Champagne, marking the birth of Champagne as we know it today.

2018

Autumn and winter were grey and very wet. The November-January period recorded the highest rainfall after the previous record year of 1965. The cold arrived in February with some snow. Spring was very wet with even some frost as late as early May. Summer arrived with high temperatures and the weather remained nice, allowing the vineyard to grow healthy. At harvest, the grapes were in perfect conditions, the amount of sugar and aromatic richness were above average. Freshness, fruitiness and elegance makes 2018 a good vintage.

Heurtebise Champagne, France	**Chartogne-Taillet** Chardonnay	**13,200**

2017

Winter was cold and sunny. Milder weather appeared in the first half of April, only to experience a second period of frost in the second half of the month. Everything changed in May as the month was particularly hot (35°C in May 27 & 28, a record for the last 10 years). The harvest began August 26th (very early), which made it one the earliest harvests since 1950, after 2003, 2007 & 2011. Even though 2017 is an uneven vintage, Chardonnay and Pinot Noir did particularly well.

2016

The 2016 vintage was not without its challenges. There was frost in late spring and very low temperatures in the vineyards, followed by a wet May, June and July, which increased the threat of disease. Thankfully August was warm and dry, which saved the crop, and harvest began on schedule in September. Fruit-forward, lush wines with vibrant acidity. Quality is generally above average, with Pinot Noir preferred to Chardonnay.

2015

The 2015 champagne vintage began with a wet winter and mild spring, followed by an exceptionally dry summer until mid-August. The weather then turned to fine, cool, sunny conditions for the harvest. This vintage, while similar to 2003, shows a better balance of weight and freshness. Despite concerns over its ageing potential due to lower acidity, the wines are beautifully structured with ample, attractive fruitiness.

VINTAGE CHAMPAGNE

2014
The winter between September and February showed record rainfalls with mild temperatures. Spring was dry, mild and sunny. Nature woke up 10 days earlier than average. Summer was fresh, humid and not very sunny. As a result the grape growing slowed down, and harvest started rather late. 2014 turned out to be a beautiful vintage. The Chardonnay wines show powerful & rich aromas. The mouth is full, fresh with some citrus notes.

Grand Vins des Princes Champagne, France	**De Venoge** Chardonnay	**17,150**

2012
It was rather a miracle vintage due to the weather conditions, which were not ideal for a great harvest. Yields were rather low; in some areas half from the usual. But the quality of the grapes was fabulous ! Deemed one of the best vintages the Champagne region has ever experienced. Some people even do not hesitate to put it next to some anthological years such as 1996, 1990 & 1947.

Louis XV Brut Champagne, France	**De Venoge** Chardonnay / Pinot Noir	**17,700**

2009
The Comité Interprofessionnel du Vin de Champagne rates the vintage of 2009 for Grand Cru champagnes as 'très bon millésime'. After early complications a superb summer produced a clean crop of high quality, with particularly good Pinot Noir from the Montagne de Reims. Wines are plump and were approachable quite early on.

Cuvée Louis Blanc de Blancs Grand Cru Brut Champagne, France	**Billecart-Salmon** Chardonnay	**18,400**

2008
2008 was a very cold year in Champagne. However, thanks to a dry and sunny first part of September, harvests started September 15th in very good healthy conditions. This vintage will be remembered as one of the great years in Champagne, with many of the region's most celebrated Chef du Caves putting on a pedestal above the legendary 1988 and even the infamous 1996.

Nicolas Francois Champagne, France	**Billecart Salmon** Chardonnay / Pinot Noir	**20,800**

2006
This vintage is generally classified as a 'grand millésime'. Despite challenging weather conditions throughout the growing season, including a very cold and long winter and occasional frost episodes in spring, the quality of the grapes harvested was high. The summer began harshly with violent hailstorms damaging some vineyards, but scorching temperatures later in the season accelerated grape maturation, leading to a successful harvest period in September. Many Champagne houses and producers were able to produce exceptional wines from the 2006 vintage, characterized by good structure, balanced acidity, and complexity, making them highly sought after by wine enthusiasts.

GROWER CHAMPAGNE

Grower Champagnes, where the wine is produced by the same estate that owns the vineyards, are growing in popularity but still get much less attention than the more famous houses. We are trying to change this. The idea behind it is that Grower Champagne is more in tune with the notion of terroir. The wines are a direct reflection of the soil and climate within their village. Grower Champagne can be identified by "RM" on the label, the abbreviation for Récoltant-Manipulant.

Cuvée Sainte Anne Brut Champagne, France	**Chartogne-Taillet** Chardonnay / Pinot Noir / Pinot Meunier	**NV**	**8,600**
Ambonnay Champagne, France	**Marguet** Pinot Noir / Chardonnay	**2017**	**12,200**
Heurtebise Champagne, France	**Chartogne-Taillet** Chardonnay	**2018**	**13,200**
Brut Réserve Champagne, France	**Bérêche & Fils** Chardonnay / Pinot Meunier / Pinot Noir	**NV**	**7,600**

Bérêche & Fils Brut Réserve is a benchmark grower Champagne, crafted with rare old-school precision. One of its defining features is the secondary fermentation under natural cork rather than crown cap — a far more laborious method that allows slight oxygen exchange during lees ageing, resulting in greater texture, richer autolytic complexity, and more vinous depth.

It also contains a high proportion of reserve wines, around 35–40%, which adds maturity, consistency, and layered complexity. The result is a remarkably complete non-vintage Champagne: energetic yet deep, with chalky freshness, brioche richness, and impressive length.

2022 ★★★

The 2022 Barolo vintage is regarded as a modest, three-star year rather than a great classic. A warm, dry growing season led to an unusually early and highly variable harvest. The wines tend to show ripe fruit, softer tannins and an open, approachable character. Producer skill was particularly decisive, with the best estates achieving balance, perfume and welcome freshness.

Barolo	**Pio Cesare**	**8,000**
Barolo DOCG	Nebbiolo	

2021 ★★★

Barolo 2021 is a compelling, high-quality vintage that combines structure, elegance, and character. Despite limited yields caused by spring frost, the season delivered beautifully balanced wines with deep color, ripe but controlled alcohol, refined tannins, and vibrant acidity. A dry yet temperate summer favored precision over excess, allowing terroir to shine. Producers speak with confidence, and early tastings confirm Barolos of energy, finesse, and aging potential. An exciting vintage well worth discovering.

Barolo	**Pio Cesare**	**8,000**
Barolo DOCG	Nebbiolo	

2020 ★★★★

The 2020 Barolo vintage, shaped by the pandemic, yielded wines of balance, elegance, and early approachability. Generous fruit, lively acidity, fine tannins, and vibrant color five both charm and structure More ready and refined than 2019, if perhaps less long-lived, it has proven deeply enjoyable.

Barolo	**Pio Cesare**	**8,000**
Barolo DOCG	Nebbiolo	

2019 ★★★

A very good vintage, but also not consistent, especially in Verduno, La Morra and Novello. Better instead in Castiglione Falletto, Serralunga d'Alba and Monforte d'Alba. Many good wines, which will last, but few capable of getting straight to the heart, perhaps because they are still closed and less seductive than the 2020s.

Barolo	**Pio Cesare**	**8,000**
Barolo DOCG	Nebbiolo	

2018 ★★★

As far as quality is concerned, it is permissible to think that the 2018 vintage will be classified in the future as of good level, but not more. At the same time, according to the opinon of many producers and professionals, it will also be a vintage in which the most prestigious crus will have an important edge (as they surely had from a viticultural point of view).

VERTICAL PIO CESARE ITALY

PIEDMONT

2017 ★★★

So far we can record a positive vintage overall – better than might be expected from a hot, dry year without the overripe tones that were typical of the 2003 vintage. That said, style and the quality can be slightly inconsistent from MGA to MGA and from producer to producer.

Barolo	**Pio Cesare**	**7,000**
Barolo DOCG	Nebbiolo	

2016 ★★★★★

Judging by the comments that greeted the wines when they came on the market, one could not consider 2016 anything less than a great vintage, particularly in light of such unanimous agreement. The wines show the classic traits of the classic vintages of the past combined with balance, completeness and depth that is truly rare.

Barolo	**Pio Cesare**	**9,000**
Barolo DOCG	Nebbiolo	

2013 ★★★★

Savoury without being difficult, with a good body and, in general, more intense than the wines of the 2012 vintage, even if exceptions are not lacking. The late harvest seems to have favoured the historic and better exposed crus.

Barolo	**Pio Cesare**	**12,000**
Barolo DOCG	Nebbiolo	

2012 ★★★

Compared to 2011, which it partly resembles, however, the wines do not succeed in expressing the same generosity and the same continuity of results even if certain exceptions are not lacking, just as they are not lacking if we compare them to those of 2013, that are, nonetheless, generally superior.

Barolo	**Pio Cesare**	**11,000**
Barolo DOCG	Nebbiolo	

2010 ★★★★★

For many, the 2010 Barolo is the best vintage which the appellation produced between 2000 and more. If in single specific cases this is the truth, on the whole the 2008 appears to have more to offer in terms of homogeneity of results and brilliance of character (and something less in terms of intensity). After this piece of hairsplitting, it is nonetheless indisputable that 2010 must be numbered among the vintages of excellence.

Barolo	**Pio Cesare**	**14,000**
Barolo DOCG	Nebbiolo	

2008 ★★★★

The wines have the fascination, the class, and the varietal character which can be found in other vintages which finish with the number '8' (i.e. 1988 and 1998), particularly now that the wines have had a proper period of aging. Even more, compared to the previous two cited, they succeed in expressing the depth, vitality and length of a superlative vintage.

VERTICAL LE MACCHIOLE | ITALY

TUSCANY

Le Macchiole is one of Tuscany's most iconic estates—renowned for championing single-variety wines in a region where Bordeaux blends once dominated the narrative. Thanks to the support of our trusted importer in Thailand, we are fortunate to offer a selection of carefully cellared older vintages for our guests to enjoy.

Founded in 1983 by Eugenio Campolmi and his wife, Cinzia Merli, Le Macchiole was among the very first small wineries to help shape modern Bolgheri. At a time when most producers leaned into blends of Cabernet Sauvignon and Merlot, Campolmi took a bold path: he planted Cabernet Franc, Merlot and Syrah on the Tuscan coast. We have chosen to showcase several vintages of Messorio, their pure Merlot expression, as Merlot remains the most emblematic international grape in Bolgheri and stands alongside notable benchmarks such as Cont'Ugo from Antinori and Masseto from Frescobaldi.

2020
The 2020 vintage was somewhat variable, yet the top estates produced wines of exceptional freshness, aromatic clarity, and refined balance. Antonio Galloni awards Messorio 2020 a score of 97, noting its lighter, elegant, and beautifully expressive character along the Tuscan Coast.

VERTICAL TIMORASSO | ITALY

PIEDMONT

Once nearly extinct, Timorasso is one of Piemonte's most remarkable indigenous grape varieties, revived in the late twentieth century after decades of obscurity. Originating from the Colli Tortonesi, in the south-eastern corner of Piemonte, around the town of Tortona, where rolling hills form a natural bridge between Liguria and Lombardy, it yields wines of impressive structure, depth, and longevity—far removed from the region's more immediate white styles. With its firm acidity, textured palate, and complex evolution over time, Timorasso is often regarded as one of Italy's most age-worthy white wines.
La Spinetta expanded into the Colli Tortonesi in the late 2010s, adding Timorasso to its distinguished portfolio with the 2019 vintage. The wine was first imported into Thailand with the 2020 vintage.

2023
This vintage is vibrant and expressive, shaped by a warmer growing season that brings generosity to the fruit profile. Aromas of acacia blossom, citrus peel, stone fruit, and light hydrocarbon notes lead into a palate that is both rounded and fresh, with a mineral-driven finish. While already accessible, it remains a young interpretation that will gain complexity with time, reflecting the evolving nature of Timorasso in bottle.

2022
A generous and expressive vintage, the 2022 Timorasso combines ripe citrus and orchard fruit with delicate floral notes and the variety's characteristic mineral depth. Broad and textured on the palate,it retains excellent freshness, with subtle hydrocarbon nuances and a long, savoury finish. Presented in magnum, its structure and natural longevity make it particularly well suited to extended ageing.

Timorasso DOC **Az. Agr. La Spinetta** **12,500**

2021
This beautifully composed vintage reflects ideal growing conditions with freshness and clarity at the forefront. Aromatically complex, it reveals layers of quince, white honey, pear skin, and crushed almond, carried by a finely textured, slightly waxy palate. The finish is saline and persistent, underlining the grape's natural tension and gastronomic appeal. This is a classic expression of Timorasso, combining approachability with the capacity for further development.

LOW INTERVENTION

Natural wine is generally agreed to be wine with only minimum 'intervention' in the naturally occurring fermentation process, without fining or filtration. It is farmed biodynamically and made without adding or removing anything in the cellar or using additives or processing. We prefer the term 'low intervention' as wine always needs someone to train the vines, process and contain the fruit, bottle the resulting wine etc... Low intervention winemaking and natural winemaking aim to produce wines that are an honest expression of the vineyard they grew, of the land, climate and year, and of the gentle care taken by human hands to

Nestled in eastern France between Burgundy and the Swiss border, Jura, France's smallest wine region, is also renowned for its delicious Comté cheese. Jura is famed for oxidative wines matured under a veil of yeast, alongside precise, mineral-driven ouillé styles.The Vin Jaune on our list comes from the village of Château-Chalon—for the Jura what Romanée-Conti is for Burgundy.Made exclusively from a grape called Savagnin, Vin Jaune is aged for a minimum of six years in barrel without topping up, developing under a natural yeast veil that gives remarkable savoury complexity, intensity, and longevity. THE CULT WINES OF SAUMUR-CHAMPIGNY

CLOS ROUGEARD - A FRENCH LEGEND

Created in 1664 in Chace, Clos Rougeard has become the defining name of Saumur-Champigny. Under the Foucault brothers, Charly and Nady, the estate earned its near-mythical status through old Cabernet Franc vines and an uncompromisingly patient, low-intervention approach.

The wines are gently vinified, raised for two years in barrel and allowed further time to settle in the estate's deep tuffeau cellars. Their greatness is not in weight or showmanship, but in perfume,mineral tension and an extraordinary ability to age.

We have been fortunate to secure a small allocation for The Nai Harn Phuket. With only a very limited number of bottles reaching Thailand each year, these are exceptionally rare additions to our cellar.

THE NEW GUARD OF HOKKAIDO PINOT NOIR

A singular Yoichi Pinot Noir, from the circle that helped define modern Japanese wine.

Coco Farm & Winery's Cocotoaru Pinot Noir is one of the most compelling expressions of Japan's cool-climate wine future. It comes from the best parcel of Kimura Farm in Nobori, Yoichi - a coastal Hokkaido growing area whose long, cool season has made it the country's most exciting home for Pinot Noir.

The fruit is taken to 10R Winery in Iwamizawa, where Bruce Gutlove ferments it with wild yeasts and bottles it unfined and unfiltered. Gutlove was a formative figure at Coco Farm from 1989 and remains a key link between its pioneering spirit and the new wave of Hokkaido wine.

That lineage also explains the Domaine Takahiko connection. Takahiko Soga spent a decade at Coco Farm before founding Domaine Takahiko in Yoichi; both he and Gutlove belong to the small, influential circle that recognised the extraordinary potential of Yoichi Pinot Noir. This is not a Domaine Takahiko wine, but it shares an authentic place in the story of the region.

Only 1,736 bottles of the 2022 were produced. At a graceful 12.7% alcohol, it is a rare, quietly confident Pinot Noir: floral, finely textured and unmistakably Japanese.

MONTRACHET OF THE PFALZ

It is impossible to overstate the importance of the Kirchenstück vineyard site for viticulture in the Pfalz. Surrounded by other famous vineyard sites of the town of Forst, such as the Jesuitengarten, Ungeheuer or Pechstein, this vineyard, which is only 3.6 hectares in extent, holds an outstanding position. In the royal Bavarian vineyard classification of 1828, the Kirchenstück was the only vineyard site to be rated with the maximum score of 65 points. It is said that two centuries before this in the Thirty Years of War, the Spanish general Fragipani expressed his reverence for this site, and ordered his soldiers to show their respect for this vineyard site by saluting it.

The Kirchenstück site in Forst is a gift of nature, unique in Germany in its complexity and distinctiveness. Nowhere else does a dry Riesling grow with greater complexity and at the same time with such elemental power and expression. This wine develops slowly at first, only after years of bottle ageing does it reveal its inner values to the wine connoisseur, which make this wine a true masterpiece: the unique terroir character, interwoven with the vintage characteristics.

This wine combines body and power with beguiling elegance, a wealth of concentrated aromas is combined with the most elegant brilliance. The final "Wagnerian" chord on the finish appears to disappear into eternity, and leaves many a taster simply speechless. A wine that cannot be appreciated in a passing moment.

TERTRE ROTEBOEUF
THE MAVERICK OF SAINT-ÉMILION

Tertre Roteboeuf 2018 · Saint-Émilion Grand Cru

One of Bordeaux's most distinctive and sought-after wines, Tertre Roteboeuf is the creation of François Mitjavile, an independent-minded winemaker who has always preferred to follow his own philosophy rather than the conventions of Saint-Émilion.

His small, six-hectare vineyard occupies a spectacular, amphitheatre-shaped hillside with clay and limestone soils. Planted with approximately 80% Merlot and 20% Cabernet Franc, it benefits from a unique microclimate that allows the grapes to achieve exceptional ripeness while retaining their natural freshness.

Mitjavile's approach to winemaking is decidedly unconventional. The vines are trained unusually low to the ground, harvesting takes place remarkably late, and fermentation is carried out in traditional concrete vats with gentle extraction. The wine then undergoes prolonged maturation, typically 22 to 24 months in 100% new French oak barrels.

Despite its cult following and reputation among Bordeaux's finest wines, Tertre Roteboeuf remains outside the official Saint-Émilion classification. Its exceptional standing has been built not on rankings, but on the individuality, consistency and uncompromising philosophy

OVERSIZED BOTTLES

"A magnum bottle of wine is the perfect size for two people if one of them isn't drinking". While that may be a bit of an exaggeration, it's true that magnum bottles are excellent choices for group imbibing. Magnum bottles also have unexpected benefits. Although the itself doubles in size, the cork typically does not. Since corks are not entirely airtight, a small amount of oxygen seeps into any bottle over time, aging and developing the juice itself. Therefore, magnum bottles expose double the amount of wine to roughly the same
