Discover How the Right Glass Transforms Your Wine

Does the shape of a wine glass really make a difference? Discover how different glass shapes influence the aromas, flavours and overall perception of the very same wine. Through a fascinating side-by-side tasting, experience how the right glass can bring out a wine's character, complexity and expression.

A selection of light snacks accompanies the tasting

2. SAME GRAPE, DIFFERENT PLACE

One Grape. Different Terroirs. Distinctive Expressions.

Discover how the same grape variety can produce remarkably different wines depending on where it is grown. Through a comparative tasting of Old World and New World wines, explore the influence of climate, soil and winemaking traditions on a wine's aromas, structure and character. A fascinating introduction to the concept of terroir.

A selection of light snacks accompanies the tasting.

3. THE ART OF ROSÉ & THAI CUISINE

Exploring Rosé, from Provence to Italy and Beyond

There is far more to rosé than its beautiful colour. Discover the diversity of rosé wines, from delicate and elegant to vibrant and expressive. Taste different styles side by side and explore how grape varieties, regions and winemaking techniques shape their aromas, freshness and character.

Each wine is thoughtfully paired with a selection of Thai delicacies, revealing how the vibrant flavours, spices and textures of Thai cuisine interact with different styles of rosé.

Advance reservations are required at least 24 hours prior to the tasting.

Do you have a particular wine, grape variety or region in mind? We would be delighted to create a personalised wine tasting around your preferences.
